Statement of Warranty

Backlight Images™ is a Patented 3-Dimensional photo engraved imaging process into the surface of translucent shades of DuPont™ Corian® Solid Surface material. The image is expressed in a grayscale format once the image is properly illuminated from behind. R. D. Wing Co., Inc. is the sole manufacturer of the Patented Backlight Images™ process.

R.D. Wing Co., Inc., does represent that this product is manufactured exclusively from DuPont™ Corian® Solid Surface material. DuPont™ Corian® colors used in the Backlight Images™ process are Non-Porous, NSF 51 Food Service Compliant, Odor Free, and UV Stable.

R. D. Wing Co. Inc., has manufactured this image to meet any and all specifications and design criteria as provided to us. R. D. Wing Co., Inc. guarantees that this image is free from defects in material and workmanship.

Should the image break or become damaged in any way, R. D. Wing Co. Inc., will review the situation, may require the return of the product, and at our sole discretion replace the image if it is deemed that no outside factors contributed to its failure.

Backlight Images™ should be treated and handled with the same care and respect as given to glass. Please refer to our cleaning instructions for proper care, maintenance, and cleaning of any Backlight Images™ product.

Thank you for your purchase, if we can be of further assistance do not hesitate to contact us directly at toll free 1-877-988-8400.
